Product Shares & Market Sizes Provided for:-

- **Bathroom Products**
- **Kitchen Products**
- **Appliances**
- **Shower Products**
- **Other Products**

This updated & enhanced second edition report replaces our first review of the market published in 2008, and remains the only comprehensive 'off the shelf' report which combines **quantitative** sales & financial input with **qualitative** research and trend comment.

The methodology for this report included analysis of sales, profit & balance sheet data from the industry coupled with primary research information from Government sources, manufacturers, contractors, and other trade sources. This was supported by secondary research from trade journals, company reports, Companies House, Government statistics, trade associations, company websites and existing knowledge in this sector.

This unique report represents a comprehensive yet cost effective tool for understanding the historical, current and future performance of the UK Kitchen & Bathroom Distributors Market. Written specifically for suppliers in the industry, this unique, easy to use & independent report represents an invaluable tool to increase sales in the Kitchen & Bathroom Products Market.
