

Brand New Database
Exclusive to MTW Research

Panel Builders

Email & Mailing List - UK 2011

MTW Research have published a brand new mailing, telemarketing & email list representing more than 80% of the UK Panel Builders market by value in 2011. This brand new list offers fresh, relevant sales leads of key companies actively involved in the manufacture and distribution of electrical control and distribution panels.

With full data compliance & no limitations on usage, this high quality database offers excellent value for money for all electrical component suppliers who are seeking to increase sales through this channel as well as suppliers of drives & controls, cables, switchgear, circuit protection, enclosures, HMI and many other products used by UK panel builders.

The 2011 Panel Builders Database Includes:-

- **350+ UK Panel Builders** – *Autonomous Purchasing Sites Only*
- **350+ Full Address & Postcodes** – *Preference Service Screened*
- **270+ Contact Names** – *Senior Decision Maker / Head of Purchasing*
- **270+ Telephone Numbers** – *Corporate Telephone Preference Service Screened*
- **70+ Email Addresses**
- **350+ Records with Estimated Employee Band** (eg 1-5, 6-10, 11-19, 20-49, 50+)

Database Profile by Site Employee Band:-

Employee Band Estimate	1-5 Emps	6-10 Emps	11-19 Emps	20-49 Emps	50+ Emps
Number of Records	100+	80+	70+	50+	20+

Despite slowly rising optimism during Q1 2011, panel builders have yet to experience a tangible resurgence in terms of either value or volume growth. Whilst business confidence has continued to grow, the ongoing lack of willingness to invest by the private sector, coupled with a reluctance to lend by the banks, has hampered a return to growth in the panel builders market. Our estimates are that the recession resulted in a real term loss of around £200 million, reflecting a cost of around £5 million per month to the industry and highlighting the rapid change in industry structure in recent times.
