This Report Facilitates:-

• **Fast and Effective Competitor Analysis**

With the report providing a Strategic Industry Overview including averages, a Ranking section and a more detailed Profile section, the depth and range of analysis provides a comprehensive overview of the market's performance and estimated ranking for each company included in the report.

• **Benchmark & Monitor your Company's Performance against the Industry**

3 years of the most recent accounts available, supported where appropriate by our own estimates, is supplied for each company enabling the reader to understand the position of your company in the market and gauge its performance against your competitors in recent years.

• **Turnover Estimates for Every Company**

MTW reports are unique in that we have provided a turnover estimate for every company listed, enabling smaller and medium sized companies to gauge their market share, as well as the larger companies.

• **Track and Monitor Your Closest Competitors' Financial Performance**

Key financial data, turnover and profit ranking are provided for every company listed for the last 3 years, enabling the reader to quickly and effectively track their competitors' performance in recent years, enabling further SWOT analysis.

• **A Company Listing More Relevant to Your Market**

MTW Research have been researching and writing market reports in this industry since 1999 and as such we are able to develop a company listing which is more relevant to your chosen market, saving you time and money.

• **Identify and Assess Possible Acquisition Targets**

The ranking section of this report, coupled with and the provision of key financial data such as turnover & profit ranking, assets, liabilities and net worth for the last 3 years in the Profiles section, facilitates effective and informed strategic marketing and decision making.

• **Save Your Company's Time & Money**

MTW's *Rank & Profile* reports don't bombard you with irrelevant financial data, they are designed to enable you to engage in fast and effective strategic market and competitor analysis. We focus on providing what's important in an easy to reference and use format.
